Hello all, and good morning!

Thank you for proceeding with this location. I had asked for this location to be added to our CARE+ sheet on May 7th to ensure we could get it done today.

Thank you for the follow-up.

Best,

Hi Abraham,

You can go ahead and proceed with this location, an edited confirmation will go out.

Thank you so much!

Good morning Tiffany and Morgan,

I saw the confirmation sheet for the CARE+ this morning and it does not have the Chandler Bridge, instead it has our usual spots for CARE+.

I just want to double check, are we going to proceed with operations underneath the bridge or are we going off of the Confirmation sheet?

Best regards,
